## THE SPA

We have created The Spa at The Shelbourne to be a place of tranquility. Subtle lighting and hushed voices, the timeless beauty of this historic building and reassuring elegance and comfort of the modern fixtures, and above all, the atmosphere of unhurried calm. From the moment you step through these doors, your mind is free to drift and dream, your body can begin to unwind, and you can release any worries or tension you may have carried through the day.

## THE SALON

The subtle art of self-care.  
The understated power of glamour.  
The refined magic of a perfect manicure, a truly great haircut, or an unstoppable shade of lipstick. If you understand the importance of these things, you can take on anything.

## SWISSLINE BY DERMALAB

Founded in Switzerland 30 years ago, Swissline is one of the very few brands who can trace its origins into cellular therapy. Swiss science and care are deeply rooted in the brand's DNA. The "well-ageing" products and treatments revolve around addressing inflammation and boosting collagen levels in the skin.

### Swiss Ultimate Collagen

(90min)

REJUVENATING AND RESTORATIVE

This comprehensive skin-transforming treatment harnesses pure native collagen, marine collagen, peptide technologies, pure silk and plant-based growth factors to rejuvenate stressed, dull or ageing skin. The treatment revolves around Pure Collagen Face & Neck Films, which are made of 92% Pure collagen, 97% of which has identical molecular structure to the skin's own collagen. The film's patented MatriCol™ technology offers a non-invasive refill and instant replenishment. The treatment, ideal for mature, dry skin, boosts collagen levels in the skin, smooths lines and wrinkles and facilitates the skin's natural repair.

### Swiss Smart

## HOW TO SPA

### How do I choose my treatments?

The Spa offers a full menu of treatments which will pamper, relax and revive the body, but knowing which one to choose can be a little overwhelming. Our highly trained team is here to help, and would be delighted to assist you in selecting the best treatments for your unique needs.

### Consultations

The professional team at The Spa offers a confidential and complimentary consultation which will be carried out prior to commencing any treatment. It is essential to let the therapists know of any allergies and specific medical conditions to allow treatments to be specially screened and tailored for your safety and comfort.

### On Arrival

The Spa kindly asks new clients to arrive 15 minutes prior to the first appointment in order to fulfil registration requirements and to complete consultation documentation. This is to avoid such formalities being carried out during the booked spa or treatment time.

### What shall I wear?

The Spa provides complimentary robes and slippers. On arrival, a therapist will explain what the treatment entails and will advise which items of clothing should be worn. During treatments the therapists will drape clients appropriately and respect privacy. A swim costume and swim hat should be worn using the wet spa and any of The Spa's Thermal experiences.

### Relaxation Room

Our relaxation room is there for you to enjoy after your Spa experience for up to one hour after your treatment. Unwind and enjoy the views of St. Stephen's Green with a complimentary refreshment plate of your choice. Please note that the use of our relaxation room is exclusively available with our spa treatments.

*For online bookings, please visit [theshelbourne.com](http://theshelbourne.com) or alternatively call +353 1 663 4685*

### Mothers to be

The Spa has a range of treatments which are designed to be safe for 'mums to be'. Please advise of pregnancy before booking so that we may advise you of which treatments are right for you at this special time. You must be a minimum of 12 weeks pregnant to book.

### Peace of Mind

The healing value of silence and tranquility cannot be overestimated. To maintain an atmosphere of calm, we ask that all our guests observe the quiet areas. We also request that mobile phones, iPhones, iPads etc. be placed in the locker on arrival, and remind clients that smoking is not permitted on the premises.

### Reservations and Cancellations

Please book spa appointments in advance in order to ensure that the full range of treatments are available at your chosen time. Credit card details are required to secure an appointment. Clients who wish to change or cancel an appointment are asked to give 24 hours notice, otherwise 50% of the treatment will be charged. Unfortunately, non-arrivals will be charged with the full treatment price. Always feel free to walk in, we may have a cancellation.

### And finally, a few Spa tips

A Spa experience is more than just a massage or facial. It should be a journey to another level of relaxation. To ensure the maximum benefit from a visit to The Spa, talk with your therapist beforehand to discuss preferences and any concerns you may have. Please feel free to ask questions at any point: we are here to make you feel comfortable and safe. Open communication will ensure that your treatment will not be just a wonderful and therapeutic experience, but a rewarding journey to your highest self.
